Upcoming Events/Competitions/Carnivals

All registrations for upcoming Carnivals and LAQ competitions is available through your Results HQ portal. Programs etc will be either on the club website or LAQ website. We encourage participation in Club Carnivals, but we encourage all athletes from U7 - U16 to compete at Regional Championships. This is the only individual competition where your athlete has the opportunity to attend State Championships as an individual, not a team (as per Relays).

Redlands Twilight Carnival - Saturday 23rd January 2021

Good Luck to all our athletes competing this weekend.

MGLA Trophy and AGM Day Saturday 6th February 2021 - 2:00pm for a 3:00pm Start - Mansfield State High School Hall

You will have received an email this morning if you have not yet RSVP'd to this. Please do so by Friday 22nd January so we can finalise trophies and numbers.

Regional Championships - Saturday and Sunday - 13th & 14th February - Registrations close 31st January - 10pm

Don't forget to register for this event!!!

This is the second of the events run by the Region. As with Regional Relays, MGLA is co-ordinating this event and will be looking for parent volunteers over both days to assist at the Boys Shot Put and to help with the High Jump as well. This event allows your athlete to choose up to 5 events that they wish to individually compete in.

We will have our MGLA tents set up and this will be a club event. Even though we are out of season, we always have great representation and we encourage all athletes to compete and give it a go. Athletes from U9

- U17 have the opportunity to move onto State Championships (19th - 21st March 2021). U13 & U15 Athletes also have the opportunity to be selected in the State Team to compete at Nationals.

Deception Bay Twilight Carnival - 20th February

Registrations are now open for this event.

Looking forward to seeing you at Carnivals, Trophy Day/AGM & Regional Championships.
